### **BLM AND US FOREST SERVICE OFFICES IN CANON CITY TO MOVE IN SPRING 2007**

Canon City – The combined offices of the Bureau of Land Management (BLM) and US Forest Service in Canon City will be moving in the spring of 2007.

According to BLM Field Manager, Roy Masinton: “The new location will be just behind Big O Tires on East Main Street, across Highway 50 from the Holy Cross Abbey. Contrary to misinformation about our future location, there never has been a contract for land behind Wild West Steak House/AMR Ambulance or any other location.”

The new location will be about ½ mile west of the agencies present location at 3170 E. Main Street on the east end of Canon City. The new building will be built by a private contractor and leased to BLM. Both the US Forest Service, San Carlos Ranger District and BLM, Royal Gorge Field Office will continue to be co-located at the new location. The agencies will remain at their present location until the new building is complete in the spring of 2007.
